This Was the Decade We All Became Home Chefs. We Have the Internet to Thank for That.

An era when simple, unfussy recipes reigned.

KARA VOGHT
Reporter
[Bio](#)

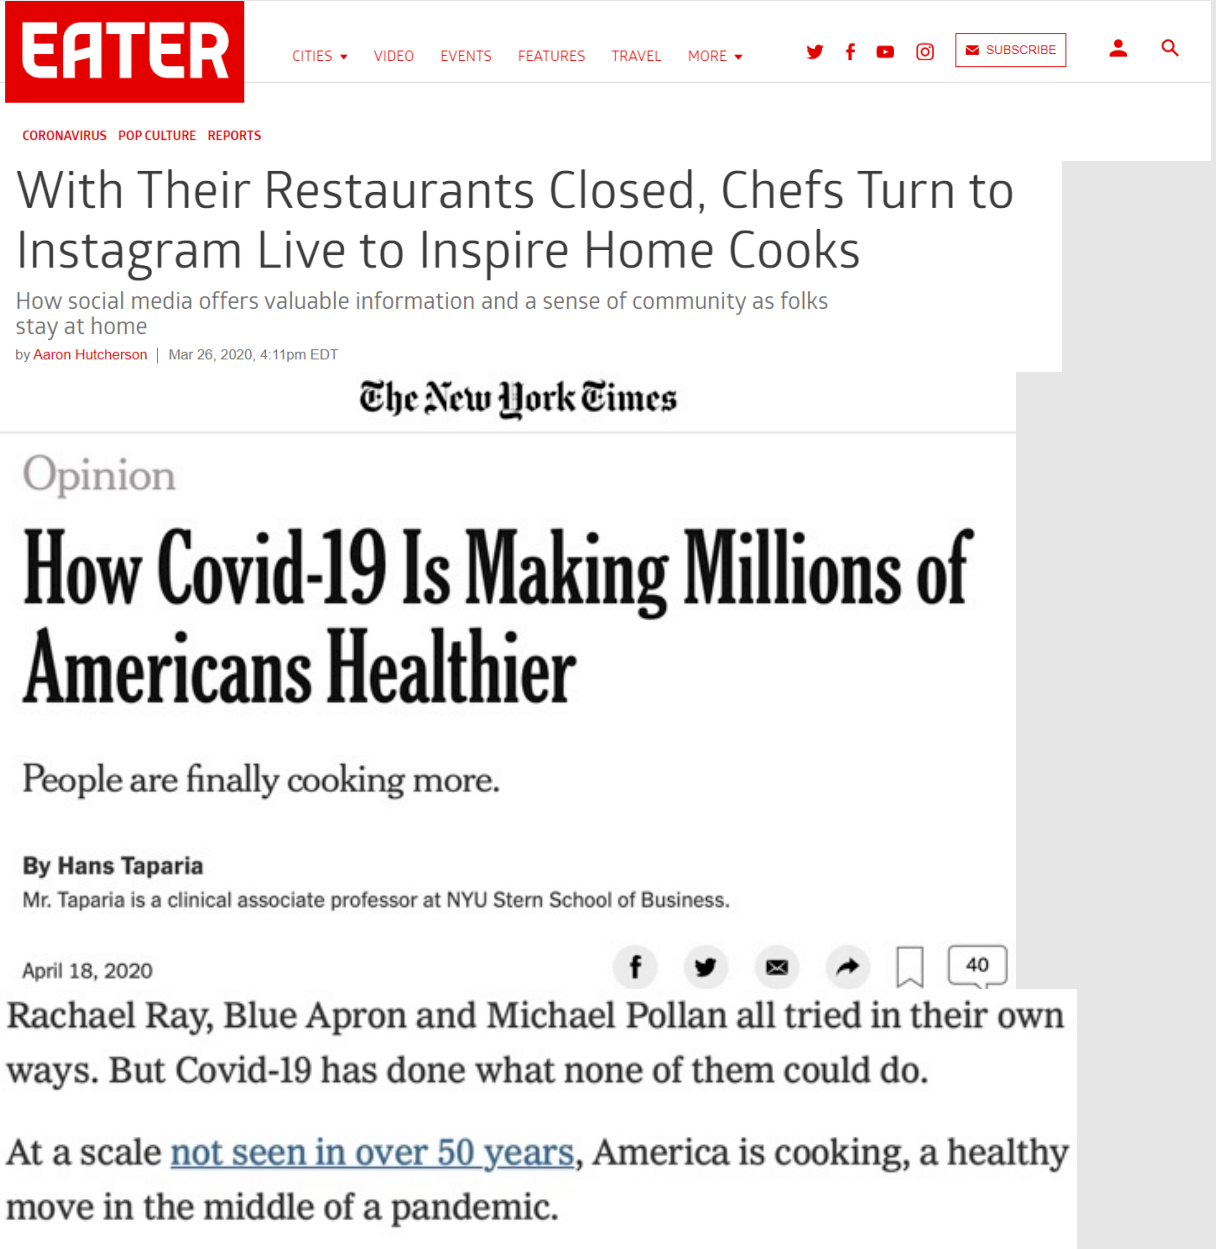

“...the internet and its allies—Netflix and YouTube—have invited people who never saw themselves as chefs into the fold.”

How Covid-19 Is Making Millions of Americans Healthier

People are finally cooking more.

By Hans Taparia
Mr. Taparia is a clinical associate professor at NYU Stern School of Business.

April 18, 2020

Rachael Ray, Blue Apron and Michael Pollan all tried in their own ways. But Covid-19 has done what none of them could do.

At a scale not seen in over 50 years, America is cooking, a healthy move in the middle of a pandemic.
